

Revision Sawfly™ USA Military Eyewear System

Description

Physical/Functional:

- Extensive field of view; maximum air ventilation; fits the face closely and comfortably.
- Frame, constructed from tough, high impact Nylon.
- Designed to allow maximum field of view for both sizes.
- Adjustable arms and retention strap provide proper and secure fit.
- Optional prescription insert available for soldiers who require prescription lenses.
- Interchangeable lenses are distortion free, and have scratch-resistant coating on both sides.
- Weight is 1.00 ounce.
- Available in two sizes – regular and large (for fitting the general populace: 80% prefer size regular size; 20% prefer large size).

Performance/Protection:

- Ballistic-fragment protection meets MIL-PRF-31013 requirements.
- Compliant with all ANSI Z87.1-2003 optical performance and protection requirements.
- Clear and sunglass lenses offer 100% Ultra Violet protection.

WARNING: The Revision Sawfly Spectacles do not have an approved laser protective lens and, therefore, are not authorized for laser eye protection. The spectacles must not be used for missions or training scenarios that require laser eye protection.

Components/Materials:

- Frame: High-impact nylon frame with adjustable arms.
- Ballistic Lens: Polycarbonate shields with anti-scratch coating (1 each solar and clear).
- Elastic Headband: Black elastic adjustable retention strap.
- Storage Case: Semi-rigid storage case holds extra shield.
- Pouch: Protective microfiber mitt doubles as a cleaning cloth.

Requisition Information

Units may order Revision Sawfly and/or replacement parts by submitting funded MILSTRIP requisitions through normal supply channels to the DSCP General and Industrial (S9I) or DSCP Prime Vendor Contract.

All NSN's can be ordered via E-Mail. Customers can go into the E-Mail link <https://email.prod.dodonline.net> or call the central Call Center at 1-877-352-2255, option 3, then 3 again. The customer can speak to a person by using options 3, then 1 (instead of the second 3). Both options are available to take orders 24 hours a day. Registration is required for the web, but it is easy and available on-line (Customer Service / Account / Create New Account) on the lower left hand side of the home page.
